8. Dedicated Tee Times:
 - Last year we had a record number of participants which made for fun times and great competition. We hope to have a record number again this year. This requires all league members to be well organized on your tee times. Tee times are at a premium on Tuesday's, but we are confident that we can effectively accommodate everyone.
 - To assist with this, we will again be offering players the opportunity to guarantee their tee times for the rest of the season.
 - We are also encouraging league players to feel free to book earlier in the day (any time after 1 p.m.), which will also help spread out the play, and reduce the pressure on the afternoon tee times between 2:30 and 6:00 PM. So, please organize your groups, and have ONE spokesperson for each group send in a tee time request on your registration form. **Note that 9-hole play will not be allowed before 2 p.m.**
 - Pick your top three choices for tee times, in 45-minute increments, for example:
 - 1st Pick – between 3 p.m. and 3:45 p.m., 2nd Pick – between 4:18 p.m. and 5:18 pm, 3rd Pick – between 3:15 pm and 4 p.m.
 - We will then run the lottery, and your tee time will stand for the rest of the season.
 - Groups of two, three or four will be permitted to lock in times, singles will be placed as close to their preference as possible, and definitely with other league players.

9. Singles and Doubles Match Play: Match Play is optional and is usually played on a different day than ladies league day.
