## OUR MISSION

Golf is a game that many enjoy but few can master. Our goal at Lakeside Golf Club is to provide you with the skills that allow you to enjoy the game more. Teaching is an art. Success comes from understanding the basic fundamentals and being able to apply these skills during a round.

We understand that golfers have different athletic potentials and limitations, along with varying time that they can commit to the game. As a result, each person's capabilities and lifestyles are recognized when developing our instructional strategies to suit the golfer and not the golfer to a model golf swing

**TRACKMAN**

## GROUP CLASSES

To register for any of our group classes, Please contact the golf shop at 403-569-9111 ext. 212

## FAMILY PACK

With the influx of Families learning the game of golf, we are continuing to offer "The Family Pack" for you to learn together this season. Dates and number of lessons are fully customizable with the instructor of your choice. Cost will be based on your family size, number of lessons and length of lesson. Speak to one of our golf professionals today to book!
