JUNIOR NIGHT LESSONS will run on Thursday nights for 50 minutes starting June 5th - August 14th.** Lessons are tailored to skill level, earlier groups will be comprised of more experienced golfers while new golfers are encouraged to join the later groups. If you are unsure of your juniors skill level, please inquire with Emerson, and he can recommend a group for you. 2025 will continue to be focused on improving the juniors golf game with proper score tracking and game analysis.
